

Registration Procedures for 2002 IEP Annual Workshop and Bay-Delta Modeling Forum Annual Meeting

The Bay-Delta Modeling Forum annual meeting will take place February 26 – 27 and the IEP annual workshop will take place February 27 – March 1.

If you plan to attend the IEP workshop and/or the Bay-Delta Modeling Forum annual meeting at Asilomar, you need to do two things - 1) secure a room either at Asilomar or elsewhere in the Pacific Grove/Monterey area, and 2) pay the appropriate registration fee(s). In the past we have included the registration fee as part of the Asilomar room costs for those people staying on-site. We can no longer do this, so the collection of a separate workshop registration fee is necessary. Please note that the IEP workshop and the Bay-Delta Modeling Forum annual meeting are being treated as two separate events. For people attending both events, the Bay-Delta Modeling Forum will collect the registration fee for both meetings.

If you book a room at Asilomar, your meals are included. If you decide to stay elsewhere, you can either purchase a meal ticket for meals at Asilomar or secure your meals elsewhere in the immediate area.

Procedures for booking a room at Asilomar

If you wish to stay at Asilomar you will need to book your room directly with them.
